Youth Leader's Meeting

A Youth Leader's Meeting will be held on the front lawn at the NYR Lodge at 7:00pm on Sunday evening. We encourage at least one youth leader from each group to attend this meeting as we will discuss camp safety and important elements of the week. Registration/Merch will be closed during this time.

Communion

Communion elements will be provided by NYR for you take together as a group during Group Time on Sunday evening.

Children's Programming

NYR Children's Programming will be available Monday-Thursday morning for 4 years - 4th grade. Each day will consist of worship, lessons, crafts, and snacks. This will be on the NYR grounds. For registration information and location listen to Main Stage announcements or pick up a list in Registration/Merch.

Counselor On-Site

Peter Buckland, a licensed, professional counselor and a former professor at Ozark Christian College, is available all week. Please feel free to visit with him as needed. Peter can be found in the NYR lodge.

Tournaments and Recreation Signups

Get a team together and sign-up for our tournaments and recreation! You can sign up for bags (cornhole), volleyball, basketball, flag football, soccer and horseshoes! Signups will be in the area between Registration/Merch and the Canteen. Listen to Main Stage announcements for more information about signup times.

Open Mic at the Canteen

Open Mic will be at the Canteen on Wednesday afternoon from 2:00-4:00pm. This is the perfect opportunity for those in your group who like to perform to show off their talents – whether it is a song, a poem they've written, or a stand-up comedy act! All acts **must sign up** outside of Registration/Merch. Listen to the Main Stage announcements for more information about signup times.

Visitors/Guests

Please have any visitors or guests come to Registration/Merch to get a day pass wristband. Each session is \$10.

Membership Meeting

The annual membership meeting is Thursday at 2:00pm in the NYR Lodge. If you would like more information on becoming a member, pick up an information sheet at Registration/Merch.

Baptisms

In recent years at NYR we had people that were baptized write their name on a stake and nail it into the ground by the pond. Stakes are once again available at the pond for those who are baptized at NYR. Please remember to contact parents or guardians if someone in your group wants to be baptized at NYR and is under the age of 18.

Baptism certificates are available at Registration/Merch for those baptized at NYR.

NYR Medics and Emergency Medical Information and Numbers

Medics are available on NYR property at all times and can be located by a deputy or at the Canteen or Registration/Merch. For situations that may arise away from camp or that need a doctor's care, feel free to use one of the following urgent care centers. These facilities will also administer a rapid Covid-19 test:

EVERLAND PROPERTY GUIDELINES

NYR does not have access to the Everland property (formerly known as the Korean Lodge) this year. Please do not enter this property for any reason.

CAMP COLORADO PROPERTY GUIDELINES

NYR does not have access to the Camp Colorado property this year. Please do not enter this property for any reason.

DISASTER EXIT STRATEGY

The strategy and exit plan will be thoroughly explained at the Youth Leader's Meeting on Sunday evening at 7:00pm on the front lawn at the NYR Lodge.

NYR POLICIES

- Anyone under the age of 12 must be accompanied by a parent or legal guardian. A notarized document for temporary legal guardianship must be turned into the Registrar with the camper's registration. This mandate comes from the state of Colorado, not NYR.
- Nationwide Youth Roundup is a Christian gathering. Please come with a cooperative attitude and desire to grow in the Lord.
- Every person must register. Please do so upon arrival. Each registrant must wear the official wristband at all times. Anyone who is not wearing one will be escorted to the registration area to register.
- Before leaving the grounds, all youth through senior high school, must be sponsored by an adult (youth leader, minister, parent or guardian) and must gain permission by the sponsor.
- Identify and obey Ranch Sheriff and Deputies at all times.
- Observe the Golf Cart Procedures as listed on the Golf Cart Registration Form.
- Main Sessions in the Valley: In our attempt to serve all the groups represented we ask that you observe and respect the seating arrangements. This should allow you to keep your students at dinner together and free time longer. No one should have to "rush" to save seats. Please aid us in removing all lawn chairs and blankets so recreation can commence without interference.
- We must conserve water.
- Sponsors are expected to see that their youth attend all services and classes.
- Shower houses will be closed for cleaning purposes each day during the evening services. Any articles found in the shower houses will be removed.
- All outer clothing must be modest and free from suggestive or offensive imprints. Shorts may be worn at all times, subject to your sponsor's consent.

- No smoking or smoking paraphernalia, including but not limited to: tobacco, vaporizers, e-cigarettes, drugs, matches, and lighters will be allowed on the NYR grounds, other than those matches or lighters designated for lighting propane gas grills and in the possession of someone 21 years of age or older. (Note: Even without a fire ban, smoking on the NYR grounds is prohibited.)
- Offensive language, alcohol, tobacco, vaping, illegal substances, and firearms are strictly prohibited.
- Roundup Ranch is a marijuana free property.
- All fires must be extinguished when unattended, including lanterns and stoves.
- Unmarried members of the opposite sex are not to be in each other's quarters under any circumstances.
- Campers are required to be in their quarters and quiet by the announced curfew.
- LIVE TREES ARE NOT TO BE CUT DOWN. Please use only dead trees that have already been cut down for firewood. Wildflowers cannot be picked. They are protected by law in Colorado.
- Swimming and the use of paddle boats in the pond is NOT allowed unless otherwise announced.
- No pets are allowed on the NYR campgrounds. There are local kennels available for boarding your pet if you must bring it with you.
- Each campsite must be cleared of all belongings, including trash, tarps, grills, etc. Anything left behind will be subject to the dumpsters.

RULES TO PREVENT DISASTROUS FIRES

The past fires and the dry weather in Colorado should make all NYR attendees more aware of the constant Fire Danger in the mountains of Colorado. Not only does fire put NYR 2023 at risk, it also risks future years of NYR and it puts at risk all of NYR's gracious neighbors and their property. Campers will be required to abide by announcements made at Registration and from the main stage. If a fire ban is activated, the following rules will apply to all campers. Regardless of age or perceived status, any attendee who refuses to abide by the following rules will immediately be required by NYR Camp Management to leave NYR for the remainder of the week, forfeiting all registration and camping fees.

- No wood or charcoal fires are allowed.
- Only propane gas grills or stoves will be allowed for the sole purposes of cooking or heating recreational vehicles.
- The location and positioning of all propane gas grills or stoves must be inspected for safety by NYR management prior to ANY use thereof.
- Each propane gas grill must be located in the open, out from under trees, shrubs, or away from any other flammable materials.
- Each cooking area must have, at all times, a full fire extinguisher and a five-gallon bucket full of water, both located within 10 feet of any operating grills or stoves.
- During times that the propane cooking grills are operating, a designated person 21 or older must be present to man the fire extinguisher and the water bucket to watch for dangerous and extraordinary flames.
- Propane connections must be turned off when not in use.
- No one under the age of 21 shall be allowed to operate propane gas grills or stoves.
- No one under the age of 21 shall be allowed to light, operate, or be in the possession of a propane-powered lantern.
- All electric cords must be in safe condition, monitored while being used, and must be "unplugged" while not in use.
- All electrical appliances such as hair dryers, curling irons, hot plates, heaters, etc, must be attended until cooled down.
- All campers and recreational vehicles must be equipped with a fire extinguisher.
- The location of generators must be approved for safety by NYR management prior to use.
- Generators must be attended while in use.
- Fireworks or explosives of any type are prohibited.

CAMPFIRE RULES AND PROCEDURES

In order to protect the safety and welfare of all NYR campers, NYR Property, and be in compliance with local laws, camp fires will only be allowed that meet or exceed the requirements of Douglas County, Colorado. Section 7, Paragraph (e) of the Ordinance Restricting Open Fires in Douglas County states;

Except where the Sheriff has, by Executive Order, elevated the fire prohibition to Stage 2, the following shall be exempt from the prohibition imposed herein; small recreational fires at developed picnic and campground sites contained in permanent fire pits or fire grates...supervised by a responsible party at least 21 years of age.

It is the responsibility of each leader starting a camp fire to be sure the fire pit meets the requirements of Douglas County. At the very minimum, fire rings shall be 10" high, set 2" into the ground and shall be monitored by a leader, 21 years of age or older at all times. Flames shall not exceed 2' high. At no time shall a fire be left unattended. NYR Sheriff, authorized Deputies and NYR Board Members shall have the authority to ask that any fire, which in their opinion is not in compliance with the requirements above, be extinguished.

Thank you for your cooperation,
NYR Board of Directors
